For paper submission or review on CFRAC 2017 website, please create an account on the “sciencesconf.org” system by following procedure in Section 1. Note that you may have already created an account for other conferences using this system. In this case, please be sure to have your former login and follow the procedure described in Section 2.

1. **New account creation**

Go to the webpage: [http://cfrac2017.sciencesconf.org/](http://cfrac2017.sciencesconf.org/)

- Click the arrow next to the “login” tab in the top right banner, and then click on “create account”.

- Fill the information form.
• A pop-up window will appear confirming you that the account creation is submitted.

Thank you for your account creation request.
You will receive an activation link by email.

Ok

• A confirmation email will be post to your mailbox.

Dear [Name],

You have created a new account on Sciencesconf.org platform (https://cfra2017.sciencesconf.org/).

In order to activate this new account and logging to the system, please click https://cfra2017.sciencesconf.org/user/activate/token/e109412d69eb280f19218c9d679ab05e83b3b6e81

Best Regards,
Team Sciencesconf.org

• Click on the link to activate your account. Once again, a pop-up window will confirm the account activation.

Your account is activated.
You now have access to the sciencesconf.org platform.
2. Already existing account

When filling the information form (mail, login, password...), the system may tell you that a Sciencesconf account is already associated to your login. You already have such an account.
